Gee whiz! I just took a last look at this issue of *Club Confidential* and it is a fucking home run! These girls, however big breasted, small breasted, tight assed, tight lipped, or whatever delicious descriptive you may want to use, go all out! Every orifice is crammed with either cocks or fingers or some kind of sex toy! And if a mere fingerbang isn't enough, check out the girls who get four (count 'em!) fingers up their pussies AND assholes! These are sexual stuntwomen! We would dare you to challenge your better half to a similar act, but let's be honest, asking your girlfriend or wife, "Honey, can I stick four fingers up your asshole and cunt?" probably won't end the way you think it will. Of course, if you're a realist, it might. Either way, it's just one of the many examples in which our babes prove they are true pussy professionals! Enjoy! —**The Editors**

MY SEXY SECRET!

BANG THE ASS SLOWLY!

24343

My boyfriend, Mike, is part of our college's marching band. He's an awesome drummer, but the stuff that he can do with his fingers makes him a complete rock star! Like, any time we make out, Mike just twirls his fingers around my nipples; not pulling or squeezing, just twirling. I guess it's hard to explain, but by the time he makes his way down to my soaking wet slit, I'm already just about to cum!

Last week he got his fingers in me and just got them up there one by one until he had the most ever in my pussy: four! Wow! His fingers were totally covered in my girlie goo and then he managed to get his other hand behind me and stick three fingers up my tight little asshole! It was like I was getting double fucked! I couldn't take it anymore, so I told him to stuff his cock up my ass and really give me a good and proper banging! Mike stuffed his dick up me quicker than ever and started pumping away. Don't even ask me how he did it, but with his fingers up my cunny and his cock deeply plugging in and out of my butt, Mike and I came at the same time, screaming like two lunatics! When he slid his fingers out I licked them clean, and when he popped his cock out of my backdoor, I licked that clean, too! So while Mike may not be world famous for his drum skills, his finger and dick game is already legendary! At least with my pussy! - **Kara W., Los Angeles, CA ♣**

Interview by Emma Edwards

What gets you in the mood?

For me, it's the foreplay, and the excitement of wondering what the sex is going to be like with that individual. I honestly love kissing and grinding on people. I especially love feeling the hardness between their legs or the wetness in their panties or mine. The anticipation is so much fun. It drives me nuts and usually leads to really great sex.

What is your favorite thing to have done to you sexually?

It all depends on the person, but if I had to pick one, I would say that having my pussy licked nicely is my favorite. I love cumming from someone's tongue. It's so hot! If they are delicate with their tongue, they can slowly bring me over the edge. If they apply more pressure, they will make my body shake. Some guys know how to do it just right. I appreciate the men that are dedicated and

stay between my legs because they love it. They aren't afraid to try new things and have a knowledge of when to stay put, ensuring that they make me cum before they stop. Oral is definitely a talent and one that I love receiving.

Do you like to incorporate food into your sex life?

If so, what are the best flavor combinations or special treats you enjoy?

In fact, I had the opportunity to play with champagne in a glass shower for a shoot I did awhile back. It was the ultimate party girl experience and one that I'd seen done before. By the end of the shoot, I was naked and then instructed to fizz up with the bubbles. It was a little daunting opening the bottle with all of that glass in front of me, but I did it anyways. I giggled the entire time because the champagne bubbles tickled me. However, the smell was quite bad.

I literally smelled like a bar fly at the end of a St. Patty's Day parade. But, the shots looked so fantastic! I should try using food in my personal life. Perhaps a little chocolate covered strawberries and whipped cream might make for a fun night. I suppose I should start simple just to see if food is what interests me sexually.

Describe your first lesbian experience. Did you enjoy it?

Ohhh, I liked the first time I fooled around and kissed a girl. The experience happened in high school. She and I climbed up on the bleachers and huddled together because it was so cold out. Once together, she kissed me and I liked it. I was so nervous though. She then unbuttoned my pants and put her hand down my panties. The girl went for it and it was great! It was so new and exciting for me. Her lips were so soft, her skin was milky white, her hair was reddish blonde, and her tits were big. When you mix all of that with

moonlight, the wild freedom of youth, and the feeling of doing something you're not supposed to do the experience becomes unbelievable. It was a perfect beginning to my bisexual life. Girls still make me excited. Having sex with them is so different then having sex with men. There's nothing better than licking clits and feeling them swell in my mouth. Girl cum tastes delicious.

What special qualities help to make you a unique porn star?

I am a unique person, with my own style, and I am constantly pushing my sexual explorations. I am a young woman discovering and fulfilling my sexual fantasies. It just so happens that those fantasies are filmed for others to see. It's exciting to look back and examine all the crazy sex I've had and the kinky stuff I'd love to do in the future. I'm a big hippie, all about loving and fucking. I love what I do. I'm not afraid to try new things. I think my fans can see that. Hopefully it shows in my scenes. All of this helps makes me unique.

What are your goals for the adult industry?

I started this job because I wanted to enjoy life and have fun. My goals are to continue performing in dirty movies, work with more companies, work with more directors, and work with more performers. There are too many I haven't experienced yet. This

needs to change! Even though I am much more experienced after my first year in the industry, I know there is still much to learn and a long way to go. I really look up to some of the more experienced girls, especially those associated with Spiegler Agency. I would also like to cum a whole lot more this year, and continue putting out strong scenes. I'm going to just see where things go.

Describe the Lily LaBeau way of eating pussy.

I prefer being on the bottom in the 69 position. I love asses in my face and being covered. Rimming pretty pink assholes is awesome. When I really want to make a girl cum, I'll exude more control by burying my face in her pussy. I'll lick her clit until I can feel it enlarge. Sometimes I'll use my fingers, depending on the girl. I'm not shy about it. I use my whole face and get in there. That's a great place to be. I have different methods that I use. Sometimes, I'll slowly lick from bottom to top, teasing the clit, and flicking my tongue against it until I can feel her pressure building. I'm able to adjust my style depending on the girl on her personal liking.

Describe the Lily LaBeau way of sucking cock.

Really sloppy! I'm a very spitty girl. I make sure my mouth and hands are well lubricated. I like to deep throat and really suck on

the dick. I also love just sucking on the head of the cock. Dicks feel so good in my mouth because the skin is always soft. I love rubbing dicks all over me, feeling their warmth of them on my face is great. It's dirty and it's fun. I love giving and receiving.

Do you enjoy the use of fingers in sexual play?

I really love when someone rubs my clit while fucking me. But, I'm a clitoris kind of girl. Someone else's hand feels much sexier than my own. I also love sucking on fingers and having my fingers sucked. It's such a tease. My hands are SO sensitive. When someone just lightly traces their fingers on my skin, it drives me nuts. I also enjoy when people have a tight grasp on me and I can feel how much they want me. A+ for fingers and hands during sex.

What is your idea of a perfect date?

Oh how fun! I feel like I'm on a dating show. Alright, my perfect date would take place in a location I've not been to before. There is so much to see and do here in California. If my date could think of something original, they would definitely score brownie points with me. I still like simple things however. Good food, good conversation, and a smiling face would be ideal. I tend to be a bit crazy and rambunctious, so a good date would have to

keep up with me or join in!

Do you enjoy playing dress-up with your lovers? If so, what are your favorite costumes or characters to become?

Luckily, my job allows me to transform into new characters all the time! That is a real turn on for me. I love dressing up and pretending to be a different character. It's a fun way to let loose and explore some hidden sexual desires. I love fantasy. I was one of those little girls playing Alien Space fighters on the playground in elementary school, or the kid longing to be the Egyptian Queen from the movies. My tastes vary. Right now, I'm really into playing more dominating roles. Perhaps being an international spy for the weekend would be cool, or maybe the sweet looking teen with lots of hidden needs.

What is your preferred time of day to have sex?

I have to pick one? But they are all good for different reasons! Morning sex is great because it's the perfect way to begin your day! Would you rather wake up to a nice hot pussy or to an alarm clock? I also enjoy sex super early in the AM. It's hot when neither of you can wait until the morning. Awesome, half-asleep sex is always a great way to greet a new day. I would love my lover to come over and surprise me with breakfast, coffee and sex! That'd be pretty sweet. Afternoon

SHOOTING STARS Lily LaBeau

sex is fun for me because it feels spontaneous and exciting. I like being surprised with afternoon sex! Perhaps a quickie in the kitchen or fucking in the shower would be great. And you can never go wrong with evening sex. I love fucking until I become cum drunk. Sometimes I feel like a man, because I'm always horny. It just takes a little spark to get me going, no matter what time of day!

If you were to have sex right now, what would you be in the mood for?

I've had a lot of great cocks recently. But right now, I would love to have some girl sex! It's been too long since I've gotten some good pussy. Damn that sounds fantastic. I want to taste soft lips, bury my head between two sexy legs, and rub our wet cunts together until the inside of our holes touch. Yes, lesbian sex sounds wonderful to me right now.

Do you enjoy kinky sex? What kind of kinkiness has been performed on you?

I do like kinky sex! Sometimes I like it a little too much. After the AVN show, I came home with a ton of crazy fucking stories. I have many dirty memories. I love everything, and can

switch my roles from dominant to submissive. The funny thing is that I began subbing to learn how properly to dominate. However, I have found that I like being submissive. I like all kinds of crazy shit, and the crazy intense orgasms that come along with it. I love really dirty talk, being a complete slut, and being told that I am a filthy whore. Consequently, I also love doing the same to others. I love girls who enjoy kinky sex. I don't care if my make-up gets smeared all over my face. I want to be a little fuck doll. I'm not afraid to go absolutely fucking crazy in order to get the reward.

What are your favorite types of roles to play? Has there been a favorite project or role that you've starred in?

I consider myself to be an actress. I've always been one and will continue being an actress, in some way, for the rest of my life. I have a few script ideas that I'd love to bring to life. Stay tuned for those. However, I was very excited to star in Paul Thomas's *Pervert*, where I played the role of a sadistic dom who made men and women her playthings. Recently, I was the lead for Vivid's *Hulk XXX: A Porn Parody*, directed by Michael Bisco. I played the starring role as a sexy scientist. That was a very rewarding experience since it was my first lead in a full-length feature. I'm excited to see what scripts will land in my

hands next. I'd love to perform in an action movie like *Resident Evil* so I can shine in fight sequences and carry a cool shotgun.

Did you have any particular porn performers that you tried to channel or emulate when creating Lily LaBeau?

I'm interested in the performers that turn me on, make me wet and horny. Bobbi Star is a favorite of mine. I've also had a huge porn crush on Lexi Belle, even before I started performing in the adult industry. Although they are great, I really try to do my own thing when performing by developing my own style. Then there are porn goddesses like Aiden Starr, Belladonna, Jesse Jane, Ava Rose, and Kristina Rose that I'd like to mention. Those girls are total sluts who love sex and what they do for a living. Those are examples of great role models.

Is Lily LaBeau very different from your 'regular' self?

I am Lily LaBeau. It's not an act or a role I play. Lily is another side of my personality. We just happen to have different names. Although most people think of dirty things, they never act on them due to society and peer pressure insisting that those feelings are wrong. In fact, kinky thoughts are good and healthy. I always thought that I should be ashamed of my kinky thoughts instead of embracing them. I feel so free and happy

when I don't deny myself of the things I like. Now I get paid to express my desires in an arena where I am not judged, and am with people who love sex just as much as I do. I am Lily LaBeau, a dirty kinky girl.

Do you have anal sex in your private life? If so, do you enjoy it?

Hell yes I do! Anal sex is still something that is new to me. Before getting into the industry, I thought I'd never do it. Of course, that was before I really even tried putting a finger up my butt. Luckily, I moved in with this awesome girl who explained the correct way to have anal sex. Before I knew it, James Deen was putting his penis in my butt off camera at the Armory. I was in love with having a dick in my ass. Since then, I've had so much fun playing and discovering this whole new sensation!

Tell us about a hot sexual encounter either on or off camera. We want to get inside of you.

Since I love to kiss and tell, I'm going to tell everyone about the hot sex I had two nights ago. This guy that I really like came over for sex. We made out and grinded all over each other. Finally, my pussy begged to have something shoved inside of it. It wanted to be touched. He went down on me and made me cum

twice before we couldn't take it anymore. Later, he fucked me so good and made me cum repeatedly. Although it's wise for the guy to initiate anal penetration slowly, I was so horny and couldn't wait. We had sex for two hours until he pulled out and came all over my back. I could feel it trickling down my body, dripping down my butt crack. He definitely made my pussy and asshole quiver. When we were finished, our sweaty bodies just collapsed onto each other. How's that?

Have you ever had sex in a public place? Please explain the encounter. If none, what would you like to try in public?

No, I have never had sex in a public place. It sounds exciting although when presented with the opportunity, I am usually too scared to drop my drawers. One night I did make out with a sexy bartender on the roof of the bar. I've also been fucked and have fucked girls in the bathrooms of public places. I'm not sure if I'll ever grow out of being a big chicken. Perhaps having sex on the roof of a building looking over a crowd of people would be cool. It might also be fun to have sex backstage at a concert like a total groupie slut.

How do you like to relax?

Being born in Washington, I love the ocean. It is very calming and still to me still. It feels like home. On gorgeous days, I drive through Malibu and go to the ocean. I also like hiking with friends, writing, reading sci-fi books, and going for walks around my city. I try to be active so I don't feel lazy. When things are especially nuts, I like to hang out at my apartment, eat yummy food, and watch movies all day.

What type of music makes you feel hot?

Techno filled with dirty bass is always good. There are a ton of fantastic songs that make you have naughty thoughts when you hear them play. I also get turned on by a lot of rock and alternative rock. That type of music is angry and passionate. I once fucked an ex-boyfriend while listening to "Change" by Deftones. I was so turned on. The sex was insane! I like music with intensity. It makes for great sex music.

Describe your bed and the pajamas you prefer sleeping in.

My bed is amazing! I have a soft queen mattress and white and black sheets. I still can't believe I bought a comforter set that was primarily white, but I love it!

It's super fluffy and I feel like I'm sleeping on my own little cloud. I like my surroundings to be peaceful and calming. As for my pajamas, they vary. Some times I wear boy's pajama pants because they are very comfortable. Other times I sleep naked or put on a silky nightgown for special occasions. My signature bed attire though is loose PJ pants and no top.

Who are you eager to work with but haven't yet?

That is a very hard question to narrow down considering all of the hot talent and directors in the adult industry. I'll leave this question for my fans to answer. If you want to see me with someone in particular, please tell the companies! I have only the power to hint at who I want to work with, but it's really the fans that help to make some of the decisions. If you request it, perhaps the companies will make it happen. So, please make me a happy girl by surprising me with some sexy new people to fuck!

Do you have any porn star crushes you'd like to reveal?

I have many crushes! But none that I'd like to reveal. A little mystery is good. I'm a huge flirt and don't want to get myself into trouble.

Who are the hottest porn stars? Why do they stand out as being superior?

The girls associated with my agency, Spiegler Agency, are stand out performers. I'm talking about girls like Bobbi Starr, Kristina Rose, Asa Akira, Andy Dan Dimas, Kimberly Kane and Chanel Preston. These girls enjoy being sluts and it shows. Oh God, does it show! Other girls not associated with my agency that are super sexy are Misty Stone, Sinn Sage, Stoya, Alexis Texas, and bunches of others!

Do you have any last words for your fans?

Thank you so much for supporting me and making me laugh when I'm upset or hanging out at the airport. You are all amazing fans and I am so happy to have each and every one of you. I love you all. I'm always thinking about you when I'm making dirty movies. I can't wait to meet more of you in person. For those of you who have no idea who Lily LaBeau is, please come check me out. I'll be waiting for you. ♣

Super stacked Mandy is one helluva catch, as her boyfriend Nick well knows. Anytime she goes out in public she causes a scene and is hit upon incessantly by horny guys who get turned on at the sight of her killer curves. Even ensconced in a conservative sweater, her mammoth melons turn heads and stiffen pricks, and there's nothing fair Mandy can do about it. Being prone to jealousy, Nick has struggled with accepting Mandy's pole-raising popularity with men. He loves being the dude who gets to dick the hottest girl in the room but hates the fact that others are constantly trying to wrest that privilege away from him. So he has settled upon a rather simple solution, which is to keep Mandy indoors (and all to himself) as much as possible. In an effort to keep her occupied so she doesn't miss the outside world, Nick goes out of his way to keep her sexed up and satisfied at all times. Which isn't always easy...Mandy has the libido of a bunny and twice the energy and Nick sometimes has to struggle to keep up, but not to keep *it* up—there's no problem there. With her bodacious body, her sublime bj skills and her unabashed affinity for anal, Mandy makes sporting wood a cinch. The challenge lies in coming up with enough cum to cover her, but Nick always gives it his best shot. ♣

INSIDE STORY

STARRING: Madelyn Marie, Avy Scott, Lindsey Dawn McKenzie, Isis Love, Gemma Massey, Asa Akira, Dylan Ryder, Celeste Star, Krissy Lynn, Ashlyn Rae, Mallory Rae Murphy, April O'Neil, Tommy Gunn, Tony DeSergio, Rocco Reed, Chris Johnson, Anthony Rosano

DIRECTED BY: Marc Twain

AVAILABLE FROM: Bluebird Films

HOLLYWOOD GLAM / BODY SLAM

Extra! Extra! Read all about it! A sinister movie producer is transforming young ladies into nymphomaniac Hollywood starlets! Oh the humanity! This is the sexual thriller and world created by director Marc Twain in this period piece production that is chock full of big names and plenty of hardcore sex. The results are strong, although not unbreakable.

Linsey Dawn McKenzie, the star of the show, is eager to get her hands on the most compelling story in decades. She runs into Rocco Reed's office only to find him knee-deep in Asa Akira's Asian beaver. With loads of labia licking, cock sucking and bodies fucked upon desks, this is an absolutely excellent way to begin a porn production.

Following more clues leads Linsey to a nearby diner. Filled with sexy patrons, things get rowdy when Krissy Lynn and Isis Love loudly complain about the slop they've been served. Tommy Gunn, the cook, rushes out and offers the girls his Jersey meat stick instead. They both hunger down to gorge on his gonads before Isis takes the reigns in cowgirl position and Krissy in reverse. With a little help from each other, both girls are able to reach new heights.

Finally, Lindsey decides to enlist the help of a sexy detective, Celeste Star. However, before they get to work, they enjoy each other's pussies in the back of a convertible. With good action, clams are

dripping wet before their fantastically hardcore quest continues.

Leading to a glamorous mansion, people have already been transformed to look like fallen stars. In one corner, Dylan Ryder and Avy Scott are made to resemble Elizabeth Taylor and Marilyn Monroe. Together they mix middles and fuck like bunnies by grinding their hot holes together. In the opposing corner, Madelyn Marie is dressed like Carmen Miranda in a fruit filled headdress, while Chris Jones channels his inner James Dean. Although their

costumes are hot, Madelyn's lukewarm passion rightfully pushes this scene into the woodwork where it belongs.

SUMMARY:

With an entertaining storyline that is set in the '50s, the premise of the show is incredible, offering several instances of hardcore revelation. However, there are a few sex scenes that are quite lacking at times which contribute to a less than stellar rating. Truly, it's a perfect blend of hot and cold performances, yielding tepid results. ♣

LEX THE IMPALER 6

STARRING: Bree Olson, Kristina Rose, Phoenix Marie, Mariah Milano, Jenna Presley, Jenaveve Jolie, Lexington Steele

DIRECTED BY: Jules Jordan

AVAILABLE FROM: Jules Jordan Video

LEXINGTON REIGNS / INTERRACIAL

Three time Male Performer of the Year recipient Lexington Steele, proves his superstar status when he impales six premiere porn starlets in what is one of the hottest interracial releases ever reviewed! With over three and a half hours of hardcore footage presented, and more pipe laid down than the New York subway system, Lexington goes for broke by performing in some of his best scenes to date. Simply put, porno doesn't get

stronger than this!

By far and away, the stand out attraction here is Bree Olson. Looking incredibly fuckable in a sexy blindfold and white stockings, Bree is an angel in search of horn. She especially shines when wrangling Lex's log down her perfect mouth. After ample vaginal play that leaves her pussy in full pulp, Bree bends over and takes thirteen inches up her asshole. Clearly, the old Bree Olson is back in the saddle again!

Kristina Rose, another dirty bitch, gives Lex a run for his money. With a sexual style that would make lesser men scream, Lex knows how to tame this petite plaything into submission by taking control of her peachy asshole. After an incredibly charged struggle for dominance ensues, Kristina eventually wins the battle. Her reward for stellar butt boinking is another round of raw rump stuffing when she's stretched to maxi-

mum capacity in standing doggie. Arfff!

Feeling the hunger pangs for a another helping of white meat, Lex dives into Jenna Presley. Dressed as a kinky French maid, Jenna is sure to polish every inch of Lex's pole before waxing the floor with scads of her sweet pussy juice. In what is her first interracial scene to date, it's safe to assume that Jenna has been stricken with a lethal dose of jungle fever!

Butthole bitch, Phoenix Marie, Jenaveve Jolie and Mariah Milano also are buttered up quite nicely when Lex blows their holes wide open. The effects are so scorching these tartlets may never return from the dark side.

SUMMARY: Lexington Steele fucks them all and fucks them well in this black on white frothbuster! From start to finish, expect a major dose of perfectly executed pornography, by which you may never want to return. ♣

MOMMY LOVES THE BLACK COCK

STARRING: Sara Jay, Lara Latex, Ava Devine, Brittany Blaze, Vannah Sterling, Kid Jamaica, DaWayne Dane, Mark Anthony, J Strokes, Rock the Icon

DIRECTED BY: N/A

AVAILABLE FROM: Black Ice

MILF MUFFIN / INTERRACIAL STUFFIN'

Although the MILF genre seems to have petered out slightly, things are percolating just fine for the motherfuckers that have clearly been around the block. What they are treated to here are yummy fudge sticks and plenty of hole stretching sex that leaves them breathless and covered in chocolate milk.

Ava Devine, a girl with watermelon tits is a good place to begin. She is impaled by Mark Anthony's hot beef injection when he slithers his snake down her mouth. Taking it down in stride, Ava

doesn't lose focus. Instead, she wraps her lips tighter before allowing her pussy a piece of the interracial action. What a slut!

When she's through, Brittany Blaze continues the show on a high note. With two-toned hair and a willingness to please, DaWayne Dane is eager to stuff his machete deep inside her muff. Banging her hard and making her scream, DaWayne goes for broke until he breaks this white bitch in two and covers her in gool!

Usually included in the interracial/MILF lineup is Vannah Sterling... and for good reason. Here, she stands out slightly above the rest by outwardly demonstrating her love of big black dick. Rock the Icon certainly appreciates her admiration and shows his gratitude by chewing on her asshole and stuffing her full of flank in spoon position. Taking her through several more positions, it's a pleasure watching Vannah beg for more.

Known for her edgy scenes, Sara Jay delivers another strong scene when her world collides with J Strokes. Plowing through her hole like an Iowa corn farmer, Sara is treated to one orgasmic blast after another when J Strokes bends her over to till her soil. It's dirty!

Lastly, Lara Latex gets vaginally filled by Kid Jamaica. In a scene that doesn't seem to match both visually and stylistically with the rest, the two go at it like the trailer trash hoes on Jerry Springer. The result is good, although the lighting is at times a bit too lacking.

SUMMARY: This interracial showing is good for fans that love gritty sex. Although the scenes are hot, these are not the A-list girls that have come out to play. Who they are, however, are aged women who have obvious penchants for black dick and take pride in fucking them well. And they do! ♣

RAVEN ALEXIS NYMPHOMANIAC

STARRING: Raven Alexis, Tori Black, Krissy Lynn, Breanne Benson, Alanah Rae, Phoenix Marie, Tommy Gunn, Scott Nails, Manuel Ferrara, Mick Blue

DIRECTED BY: Robby D

AVAILABLE FROM: Digital Playground

NYMPHOMANIACS / Hardcore Addiction

In a room full of nymphomaniacs in need of redirection, a storyline begins to naturally unfold, easily leading to hardcore sex. As each person discusses their kinky ailments to the group, the erotic tension and lust for action becomes visible on the faces of the naughty participants. This is the scene created by director Robby D in his sticky little number that is chock full of top named stars and majorly awarded sexual athletes.

Shining in two of the five featured scenes, Raven Alexis is a force to be reckoned with. She reaches the highest highs with Manuel Ferrara underneath her. Slamming his cock inside her pussy and making her moan in missionary position proves to be the perfect recipe for making this bitch explode.

Scott Nails also has a go with the insatiable Raven. Also pushing her beyond her sexual limits, Scott is good for churning out two orgasmic blasts that stream from the pale-skinned performer. With amazing chemistry popping from every pore, these two blow the camera away with awesome sex and enthusiastic dispositions.

Even though that romp is raw, the hottest commodity this movie has to offer is Tori Black. Feeling turned on by the erotic admissions heard amongst the group, she takes Mick Blue to a nearby bathroom and fucks his brains out. Looking like a living goddess, Tori proves

she doesn't have a bad angle or a shallow pussy. The camera loves her and so does Mick, showing his adoration by spewing his load over her face.

Just when you think things can't get any hotter, a full-fledged orgy ensues in the treatment center. Overcome with lust and passion, the group turns on one another. Tori Black and Breanne Benson grind their cunts together like crickets, while Tommy Gunn shoves his pistol in and out of Krissy Lynn. Once finished with her, he swaps things up until each slit is serviced to perfection and their addictions blossom.

SUMMARY: Addiction never looked so good. Brought to life by five super charged scenes, each performer does their part to deliver stellar bouts of high-energy sex. The effects are hot and the orgasms are real, making for one hell of a show. There is no need for a complicated storyline here. The hardcore sex speaks for itself. ♣

TOO SMALL TO TAKE IT ALL 3

STARRING: Sophia Sutra, Ash Hollywood, Aubrey Addams, Jessie Palmer, Loni Evans, Billy Glide, Ben English, Chris charming, Mark Ashley
DIRECTED BY: Danny Case
AVAILABLE FROM: Third Degree Films

PETITE PUSSY / WHOPPING WIENERS

It's always a pleasure watching petite girls take pole like seasoned players. In fact, director Danny Case seems to agree when he assembles five pint-sized cocksuckers and sets them loose on big dick studs. The featured females are so hot and the fucking so intense that these sweet darlings may be rendered out of commission as a direct result of their vaginal rearrangements. Although each scene is mind-blowing and worthy of acclamation on their own, there are a few whores-in-training that really stand out. Aubrey Addams,

a hot blonde with squishy breasts is one of those girls. Here, she goes above and beyond to take Euro woodsman, Chris Charming up her pussy. With a log that could flatten a house, Chris fucks her hard and deep, making her scream with cream in doggie position.

Also demonstrating above average skills is cover babe Sophia Sutra. With flowing brown hair, colored eyes, and a compact pussy, Sophia is sure to gather a solid grouping of fans as a direct result of this performance. Here she saddles up to take on Mark Ashley. With a dick that stands slightly taller than she does, Mark pounds this princess until her pussy pops!

Fans of red heads with milky white skin will certainly enjoy watching Jessie Palmer get waxed and waded by Billy Glide's porn star finesse. Together they passionately kiss and play before Jessie suffers from a severe clam crump due to Billy's tight fit.

With an incredibly hot body, capped

with perfect porn star tits, Loni Evans shimmies into hardcore play alongside Ben English. Treating his banger to plenty of butter, Loni looks lovely in every arrangement she's twisted into. Especially hot is watching her eyes bulge when he nails her shut in missionary.

Ash Hollywood, another sultry bangable blonde is also quite good. Demonstrating solid horn blowing skills, Ash is clearly no stranger to playing the skin flute. Also strong is the way she glides down on Billy in reverse cowgirl. Yeehaw!

SUMMARY: Small chicks take on big dicks with shining results. Each offering the viewer a little something special by way of looks and teasing, there isn't a dud in the bunch. What are represented are five well-shot scenes that feature five unbelievably beautiful girls that have A+ attitudes and Dean's List quality pussy. It's a solid show from top to bottom. ♣

WATCHING SAVANNA

STARRING: Savanna Samson, Allie Foster, Claire Dames, Whitney Stevens, Jerry, Marco Banderas, Mick Blue, Voodoo

DIRECTED BY: B. Skow

AVAILABLE FROM: Vivid

COUPLES SEX / SAVANNA STRONG

Even though she's in her 40's, Savanna Samson is living testament to the fact that women can be sexy at any age. With a body that is sexier and in better shape than porn hussies half her age, Savanna is the ultimate MILF. In a movie that uses her star power as fuel, Savanna and friends ignite in a firestorm of vaginal froth that leads to loads of cum!

Savanna begins outside by a pool

with Claire Dames. Rubbing oil over each other, they entice Voodoo in hardcore play. He bites. Once mixed in, he is treated to a double blowjob that leaves his thighs dripping in spit. He later hoists Savanna on his lap where she goes to town in cowgirl position. Making herself useful, Claire lowers her lips to ingest his balls as her friends rides herself to orgasm.

Afterwards, Whitney Stevens talks to the camera and squishes her big tits together. When she's finished with her tease, she fills up her mouth with Mick Blue's meat. Her nails her nice and deep across a sofa, arranging her in the usual positions, although she looks the best when her massive mammaries sway reverse cowgirl.

From here, Savanna comes to life as a barnyard bitch. Fingering her hole by a haystack, Savanna is later joined by Voodoo. He, in turn, adds more fingers and his tongue to her solo masturbation

party to ensure a solid connection.

Also donning a pair of homegrown hooters, Allie Foster continues the show with Jerry. Fucking her in a kitchen before going outside for a little fun under the sun, Jerry treats Allie to multiple orgasms while the camera shoots things in a more POV style format. The effects are hot, with their standing cowgirl spread earning nods for best position.

Savanna works her magic with Marco Banderas in the final scene. Only this time, she gives up her asshole for the sake of the project. Although hot, nothing is over the top!

SUMMARY: Featured in three of the five scenes, Savanna Samson is the star of the show. She does good work, as do her co-sisters, although nothing presented is stellar, memorable or monumental. What is included is strong boy/girl sex, set forth by girls with really big tits. Consider that a bonus! ♣

Alyssa, Kissy & Blue Angel

What's the term for a gathering of three gorgeous girls all with wet pussies agape? Goodness, that's a gash bash! Horny hotties Alyssa, Kissy and Blue Angel know how to party—naked, naughty and with plenty of lube. Whenever they get together they always forgo the traditional formalities of a fete (except they do like to indulge in a few whore d'oeuvres) and get on to the main event of getting it on without wasting time wallowing in social niceties. As soon as everyone is present and accounted for, this tart trio strips down and digs deep into each other's clams, using their fingers and tongues as tools to tunnel towards ecstasy. They never squabble about who gets worked over first and they all well know that each and every one of them will get her fair share of fucking. And you gotta hand it to 'em, these hunnies are hardcore. They don't hold back when it cums to getting their girl on, stuffing as many fingers up in each other's muff as will fit and then slipping in a couple more besides that. The secret that Alyssa, Kissy and Blue Angel all know is the more eXXXtreme the entanglement, the more incredible the O. These ladies cause each other climaxes so intense that their snatches stay in spasm for days afterwards. Well done! ♣

STARRING: LEXI BELLE, JYNX MAZE, ALYSSA MOORE, LEXI BLOOM, SINDEE JENNINGS, CHRIS STROKES, BILLY GLIDE, LEE STONE, BRUCE VENTURE
DIRECTED BY: STONEY CURTIS
AVAILABLE FROM: LETHAL HARDCORE

Just when you've thought you've seen it all in pornography, a true visionary comes along and completely redefines the ways in which people can enjoy hardcore sex with one another. In the adult industry, that pioneer is none other than Stoney Curtis, a 17-year veteran, and the founder and director of Lethal Hardcore, a heavily awarded porn outfit that has been around for several years.

After desperately wanting to capture new positions in his movies, and offer his fans another way in which they could

enjoy his productions, Curtis had an erotic revelation that came to him through meditation. The result is this incredible new invention, now dubbed the Stoney Spinning Table. This new sexual apparatus has a patent-pending with the U.S. Patent and Trademark office and loosely resembles that of a Lazy Susan, which, for those of you that aren't familiar, is a rotating disk found on dining room tables. Only this device is fashioned with a hole cut out of its center by which a man lays underneath, sticks his cock through the hole, and fucks the squatting girl with complete 360-degree rotation capabilities. Today, we've been cordially granted a ringside seat by the master of ceremonies himself to witness the raunchy rotations firsthand in *Spin On My Cock 3*, Curtis' latest frothbuster

that promises to be a real doozy!

Arriving on set, I'm welcomed with a warm tit-to-tit hug from boxcover babe, Lexi Belle! Rushing back into position, Lexi lifts up her French maid outfit and expertly poses for famed photographer Scott St. James, the man in charge of capturing the sexy cover image for the production. Also on the sidelines sits Lexi's cock-du-jour, Chris Strokes. "Come on Stoney, let me at her," Chris whines, stroking up his cock to the site of her curvy butt blossoming as she twists and turns to greet the camera with a butthole wink.

Once the photo shoot commences, Chris positions himself underneath the sex table, pops his cock through the hole, and chants, "Lexi, where are you?" Being a bit of a pleasure delayer, Lexi

StoreMags.com - Free Magazines Download in True PDF format

squats above the table and gives the mounted camera an unobstructed view of her puffy plum before relinquishing her gash to Chris. Finally, with a slit in full drip, Lexi lowers her body down and begins to play sit n' spin. Literally feeling Chris' sword from all angles, Lexi begins to bubble and pop in the middle as her pussy pottage begins percolating from between her juicy thighs.

Only being able to use the table in cowgirl and reverse cowgirl position, the action quickly leads to a nearby sofa. "Look what you've done," Chris barks, showing Lexi his rock solid stick. With a smiling face, she lodges his log down her neck and spirals her candy-colored tongue across the head. From here, Lexi gives up three more positions that are incredible. She also has her toes thoroughly sucked before lapping up his liquid load with her lips!

Between girls and during the cleanup

of the table, Curtis adds that he's included another interesting feature to his production — a mounted camera! Fixed to the table, Curtis has fashioned a camera that allows for an in-er-face shot of the girl's pussy in a stationary position while everything else around the room moves. Alyssa Moore, the next 'spinner' up to bat catches wind of this new optical trick and is quick to take her position on the twisting table. Rushing into the room, butt naked, Billy Glide slides under the table and urges Curtis to turn the camera on. Sucking his cock from above the device, Alyssa takes it upon herself to get into hardcore formation before action is even called to her scene! "I like this girl," Curtis says under his breath, as the dynamic duo transition into cow-girl position and the rotating ride begins.

A naturally horny girl at heart, the mere thought of fucking on the spinning table already had Alyssa creaming up

with clam dip delights as she walked onto the set this morning. By now, she's a firestorm of vaginal froth and is still begging for more whirling action. Once Billy's big boner wedges an even deeper hole up her pussy, Alyssa starts bucking like a bronco bull, spreading her schmear between their connected crotches like cream cheese. In time, it's as though someone has placed a fresh set of batteries inside of this curvy cutie as she's graduated to fucking at full speed ahead!

After a short break, the cast and crew are back in action. This time it's Latina stunner, Jynx Maze that is donning the slutty maid's outfit. Ready to rock n' roll with the big boys, Jynx is ready to go, playfully lifting up her skirt to show off her tightly compacted cunt. As she sheepishly walks around the table to better acclimate herself with the new apparatus, she looks a bit concerned.

"Is this going to hurt me?" she motions to Curtis. "No honey, it's perfectly safe. In fact, you're going to love it!" he affirms, patting her shoulder with one hand and calling Lee Stone over with the other.

Still unsure about the situation she faces, Lee arranges Jynx on all fours across the table. "Here baby, let me take your mind off things," he jokes, inspecting the elasticity of her anus with his tongue to help ease her mind and calm her shaky nerves. Soon, any bit of worry she previously had seems to fade and is replaced with devilish moans that seem odd streaming from such an angelic looking face. "Please, pull out your cock for me," she begs, now pliable putty in his hands.

Arranging himself underneath the spinning table, Lee pokes his pecker through the hole and is ready to take things to the next level. As his snake slithers from underneath, Jynx's eyes bulge out of their sockets. "Fuck! Is that a magic cock?" she questions, followed

by "How much more is there?" Laughing from underneath, Lee bucks up to greet her lips with his pepperoni stick. Soon, Jynx has forgotten all about her previous woes and is slathering his cobra cock with trails of her warm saliva. "I need more...much more!" she eventually mumbles, replacing the warmth of her mouth with the tightness of her beet red pussy.

From here, Jynx is hammered and had as the table continues to spin. Yummy goose bumps fill her perfect frame as Lee playfully twists her body back and forth to get the balance right. After a few face-scrunching orgasms, the action continues on a nearby sofa and concludes with a healthy venom splash that drips from her fangs. "Stoney, you were right! It felt amazing!" Jynx cheers, stumbling off set with her newfound set of bowed legs and a notch under her belt.

Meanwhile, Sindee Jennings is in the back room getting cozy with Billy Glide. "Save it for the camera," Curtis

warns, as the two become too hot and heavy for his comfort. Completely aroused by the new sex toy, Sindee curls up in the fetal position on top of the table and begins sucking Billy's cock like a bottle. Slurping and sucking with bubbly spit oozing from the corners of her lips, Sindee proves to be perfectly at ease with a jumbo Johnson dangling from her lips.

Like a true cock connoisseur, Sindee naturally transitions into first position. Now arranged with her face down and her ass up, Billy's boner hones in like a guided missile, meeting her juice box with his rock hard pole. "Damn, your pussy is wet!" he charges, bucking his hips upward, until the sound of his pelvic bone banging up against the table becomes audible. "This is the coolest fucking thing ever!" Sindee smiles, buttering up every nook and cranny of her vaginal crevice with pelts of her warm cream. Seemingly lost in emotion, Sindee momentarily loses control and stuffs a thumb up her bum

when her hardcore excitement becomes too much to bare. "I love this thing. Can I take it home?" she hollers, shifting her weight onto her palms to take his cock in a new position.

After several more minutes of hardcore fun, Billy waxes this kinky maid with splashes of his homemade paste before walking off set and stopping for the day.

Before the production is wrapped however, Lexi Bloom saunters onto set and is the last girl to go for a ride. Looking like a tempting teen playing dress up, Lexi is as delightful as a warm cinnamon roll, fresh out of the oven. With a yearbook worthy smile and a meaty labia that dangles from

her outer pussy lips, Lexi is a wet dream incarnate! Once Bruce Venture gets a look at her, the game is on. He sinks his hands into her silky hair and tastes her cotton candy lips before fucking her silly on the table. She giggles and coos throughout, playfully swatting his cock with her feather duster to grant him a little French tickle session for some added fun. Like the bitches that came before, their action quickly resumes on a nearby sofa where Lexi is treated to a vaginal bang session that leaves her face dripping and her toes curled. As their scene concludes, Stoney Curtis thanks his cast and crew for a great day and offers me a ride on the magic carpet.

Nervously declining in an attempt to maintain my professionalism, I pack up my things and change my dampened panties in a nearby bathroom.

With action so hot and revolutionary, one can only hope that *Spin On My Cock* not only becomes a regular series for Lethal Hardcore but a device that will soon become available for mass consumption worldwide. With tidings so sweet and rides so raunchy, Stoney Curtis is out to prove that the *spinner* really does take all! ♣

IT'S NEVER TOO LATE!

I had just turned 29 and I was totally freaking out! I mean, I was 365 days away from being 30, which not long ago I thought was old, and there was so much I hadn't done! I'd been with about five guys over the last decade and everything was fun, but I knew that there were some things that I wanted to try before I settled down. Of course, I'm not seeing anyone serious right now, but I suspect that within the next few years I will. Anyway, I'm sure that none of that means anything to you, but I was on a mission; a mission to fuck and suck as many cocks as I could in one night. It sounds slutty and I know it sure as fuck was, but my big night of cock was un-fucking-believable!

I met Nick and Ken at a bar one night and after a few drinks we started to talk about sex. It's funny how most nights in a bar end up that way, huh? Anyway, we were talking about shit we had never done and the three of us declared almost at the same time that we'd all never had a threesome! So what better way to cross something off

a list than to go home and get it started! And that's what we did!

We got to Nick's house and he dimmed the lights and poured us some wine. I sat in between my two men for the evening and we talked some more, getting more and more aroused.

"So," Nick said. "You want to get this started?"

I nodded and his hands made their way up my skirt and my pussy started gushing! Nick's hands were warm and soft and his fingers danced across my slit, gently caressing my pink knob and just when he got them lubed up enough, he stuck two fingers deep inside me. Ken didn't waste any time either. In fact, while Nick fingered me, Ken pulled my top down and started sucking on my nipples. He massaged my tits like crazy and all I could do was unzip his pants and take out his cock. I managed to start jerking him off, but I was going crazy from the fingerbanging! Ken stopped licking my tits and put his cock in my mouth.

NIKKI, MONIQUE & ERIK

Everybody knows that it takes a mighty special man to thoroughly satisfy the cock cravings of two slutty blondes simultaneously. Many, in fact, are afraid to even try. Not Erik, who nobly rushed in to save the day single hard-on-edly when he spotted Nikki and Monique chatting quietly over a cocktail poolside the other afternoon. In one quick glance he read the situation—both babes were hot to trot and itchin' for a dickin', but no dude was on hand to provide one. Enter Erik, who brazenly and without any concern for himself marched up to these ladies and offered to service them. Before anyone could so much as say "bone," Nikki and Monique were all over him like white on rice, alternating between sucking his shaft and each others' faces. When his tool was hard enough it was time to get to work. He hammered Nikki then Monique then Nikki again, pounding out deep, throaty moans from the both of them. Meanwhile, the girls kept themselves busy by licking each other all over, paying special attention to nips, clits and rosebuds along the way. After a while both girls' gashes had gone all gooey and Erik, bless his soul, was oh so ready to blow. So he gingerly slid out and allowed the girls to assume the position before blasting his hot glue gun all over their smiles. Kudos, Erik

It was fucking huge and took me quite a few sucks to get the whole thing into my throat. As I sucked off Ken, Nick unleashed his meat, pulled his fingers from my twat and put his dick in front of my face, kinda like he waiting in line.

I pulled Ken's hog from my maw and thrust Nick's in, balls deep, in one shot! I took turns going from one cock to the next, getting them soaked with spit. I was pretty sure one of them was going to cum in my mouth, but these guys were no amateurs! They wanted to get their dicks in my hungry tight holes! Ken was the first to sink his schlong into my slippery slit. Again, the size of his prick was almost too much, even for my experienced cunny, but it sure felt good when got it all in! Ken pumped away as I continued to suck Nick's dick, silently hoping that maybe he would penetrate my asshole.

I didn't have to hope too long, 'cause after about a minute of watching Ken plow into my pussy, Nick must have been inspired to infiltrate my anus. He took his wet meat and aimed it right at my backdoor and slowly pushed. Don't even ask me how these two did any of this; it just happened, in all sorts of weird configurations. The point of it all was this: having two cocks in me at once was the experience of a lifetime! It was way better than being fucking in the pussy and fingered in the a-hole, which I'd had several times before. I mean, that was always great, but having two huge slabs deep inside my holes was a completely different level! It didn't long for me to cum and with each passing stroke I felt Ken and Nick's balls building up for a beautiful blowout! They both came inside of me, filling me full of jizz! I felt like an over-filled cream donut, there was so much cum dripping out of me!

So there I was, freshly fucked in both holes at once, now another day closer to 30, but I learned that no matter how old you get, it's never too late to try something new! ♣

CHERRY POPPED!

My girlfriend, Alexandra is a total slut. She fucked three guys already and she's only 19! She always told me how great it was to get laid, but I wanted to wait a little, you know? So when I got to college, I knew that I was going to have sex, I just wanted it to be the right time with the right guy. The funny thing is, you never know what you're going to consider either of those to be when you're so fucking horny you can't take it!

I got to this party on the first weekend of school and there were like, 50 hot guys, all of which I would have fucked in a heartbeat! For a second, I thought about my high school and the surprising amount of douchebag losers there were and how Alexandra fucked those losers; but after my first beer, I was over all of that bullshit! In fact, all I wanted to do was pick one of these studs and get my pussy fucked!

It didn't take long! Of course, I was wearing the tightest, highest cut skirt ever; you could practically see my slit! And the low cut top that pretty much exposed my perfect 36D's couldn't have hurt, either! So I started talking to this guy named Micah and we totally hit it off and we found a little corner in the building to go and talk. Of course the talking turned to making out and before I knew it, we were back in his room and he was putting his hands up my skirt. It was totally cool having Micah pull my panties to the side and running his fingers up and down my little pussy, just like I had always done when I was masturbating. And it was extra cool to have him slip those fingers in and out deeper and deeper than I could ever get by myself. I took his cock out and dropped down to my knees and in just a matter of seconds I had his entire rod inside my mouth. I wanted him to fuck me so bad, but I also didn't want to stop sucking him off 'cause it was too much fun! Maybe Alexandra was right about

all of this slutty stuff!

Anyway, I didn't really have to worry, 'cause Micah kinda directed the whole thing. He said that he didn't want to cum in my mouth yet; he wanted to fuck me first. Perfect! I laid back, he gave my pussy a quick lick (something I could have used more of!) and then he got just the tip of his cock into my little pink hole. I told him I was a virgin and he told me that I should get ready to lose that word from my vocabulary. With a quick push, his whole cock was in me, pumping away! I wasn't a virgin anymore! Yay! Micah fucked me in every position and even got his fingers up my asshole! I felt like a dirty slut, but I really didn't mind at all!

I came like five times, and just as he was fucking me doggystyle, I was about to beg him to fuck me up the ass, Micah told me to open my mouth. I did as he asked of me, and after a few last pumps into my pussy, I flipped around and Micah stuffed his cunt-soaked cock into my mouth. He blew what felt like a gallon of cum into my throat and like a good little whore, I swallowed every last drop of it! Within another few minutes, Micah was ready to go again and that's when I got to give up my anal cherry! He plunged his meat so far in there, and it felt really cool—way different than getting it in my pussy!

Wow, in a matter of hours I was like a sexual expert! See how funny it is the way things work out? I didn't realize that you could go from an innocent virgin to a full-on whore in one night! What a fucking lesson that was! Anyway, now I fuck lots of different guys and I think I'm going to try a girl, too. I still fuck Micah and I think that I might be getting the reputation as being a bit of a slut. Oh well, being innocent was fun while it lasted, but getting fucked every night is way cooler! ♣

AMANDA & SABRINA

StoreMags.com - Free Magazines Download in True PDF format

Amanda and Sabrina are a couple of lovely lezzies in love and they just can't seem to get enough of each other. Each is intoxicated by the sight, smell and taste of the other and they spend entire days lying in bed together petting, touching, licking and fucking. It's really rather a pleasant arrangement. Their frolics always begin the same way—by them kissing each other deeply and running their hands lightly and lingeringly over every last inch of their flawless young bodies. Amanda gets hot every time she munches on Sabrina's rug so that's always a win-win sitch for these Sapphic sweeties. Once her clam is good and juicy Sabrina returns the favor by fingerbanging Amanda while keeping her tongue snug atop her clit. After both have enjoyed an O, these dykes dig out a double-sided dong and hunker down to hump on either end of it. Once the ends of that long, red pleasure mamba have been plugged into the sticky center of their soft, pink pussyholes they slither and slide atop each other like two snakes. Writhing around while clenching their cunny muscles tight causes good feelings to erupt from deep within, and soon Amanda and Sabrina are cumming together hard and wild. Between their blessed-out faces and their quivering thighs, it's not hard to see that these kittens are smitten! ♣

DANNI Danni just adores her curves: "I'm so lucky I ended up with big boobs! I think they came from my father's side of the family. My mom is terribly flat-chested." This 21-year-old college psychology student has a good grasp on the power she holds over men. "Men always check me out and I love having them look at me. I definitely dress to get attention—short, tight skirts and low cut blouses are my favorites. I like showing off my beautiful body. Some men act so silly when they see my cleavage. They're just boobs! But I know they make me more desirable than other girls and I totally love that. I think my tits are my best feature. They are so sensitive, too. I love having them touched and kissed."

ERIN An aspiring actress, Erin likes "to be taken out and shown a good time before I take 'em home for an even better time." Turned on by "a kind face and a bright smile," this 23-year-old former college football cheerleader has had more than her share of guys. "I've always been pretty promiscuous," she admits, citing "getting gang-banged in the locker room one night after a home game by the offensive line" as the naughtiest thing she's ever done. "I have a pretty healthy sexual appetite." She dislikes "short men, fat men and anyone without a sense of humor," and claims to have "a huge library of porno movies" along with plenty of toys" stashed away in her bedroom. She hopes one day to have a reoccurring role in a "hot TV series."

24327

VIOLET Inked-up Violet works at a Couche-Tard convenience store in the neighborhood in which she grew up in Toronto. At 29, she says she can't wait until she turns 30. "I've heard from all of my girlfriends who are over 30 that their sex drive has gone like through the roof. I'm pretty horny already, I'm ready for it pretty much any time, any place. So I can't imagine being any hornier but I've heard that things really go to the next level when a woman hits 30. So I'm looking forward to what it's gonna be like when I'm a total sex crazed maniac!" She submitted her pics because "I thought it would be cool to be in one of the skin mags we sell where I work! Haha! I'm gonna be pointing myself out to everyone who comes in."

24287

BARBIE Nineteen-year-old Barbie is currently unemployed, but has big plans for her future. "I'm totally going to apply for a job at the Booby Trap. I want to be an exotic dancer! I think that would be so rad! Then I could get my own apartment. It would be way better than going to college right now, I'm just not ready for more school yet. I graduated high school not that long ago and right now I just want to have fun. Fuck around a bit. And I mean that literally, LOL!" Barbie's favorite things to do are to "go out dancing, hang out on the beach and have no-strings-attached sex with hot guys." Although sometimes she likes strings in the bedroom: "I love to put a guy's hands to the bed posts and then ride him hard. I really get off on that!"

24645

24330

LINDSAY Lindsay wants to be a model. This outgoing 21-year-old adores being in front of the camera. "Ever since I was a little girl I've loved dressing up and posing. Now that I'm an adult I love it even more. It makes me feel so alive to be photographed, I really get off on all the attention." In fact, she likes being watched doing all kinds of things: "When I fuck my boyfriend, I always cum the hardest when I know my flatmate is watching us. There is a hole in my closet door and sometimes I arrange for him to hide inside before my boyfriend gets there. Knowing he's in there, quietly stroking his cock with his eye pressed to the hole in the door while I'm getting my pussy pounded turns me into an animal."

MY SEX LIFE!

YOGOLICIOUS

24457

My boyfriend Rudy and I have been having problems for the past few months. As a form of punishment, Rudy has been withholding sex from me in order to get his immature point across. Since he is my only sexual outlet, I have warned him that if he doesn't start giving me the bone, I will be forced to get my groove on elsewhere. With closed ears and a sour disposition, Rudy refused to heed my warning. That proved to be a huge mistake for him!

Yesterday at my favorite frozen yogurt shop, I spotted a hot surfer in the corner of the restaurant. As I entered, we immediately began eye fucking each other. Grabbing a few sample cups from the clerk, I began tasting mouthfuls of the cold yogurt, seductively licking the sweet cream with my mouth. Enticed by the way my tongue rolled over the sticky treat, the surfer motioning me to look under his tablecloth. When I did, I noticed that he was stroking his huge cock underneath it. When the coast was clear, I made my move. Positioned under the tablecloth, I decorated his dick with dollops of the frosty fruit followed by laps of my warm tongue. In time, his entire pole was stabbing my mouth and my cheeks were stuffed with his peanuts. He grabbed pelts of my long brown hair and held on to my ears to get a more solid connection. I sputtered and hummed as his meat slid down, trying my best to get my mouth flush to his stomach. Once I had successfully deep-throated his dick, he pulled his cock out of my mouth and sprinkled my frozen yogurt with scads of his delicious new topping! **"Sweet Treat" - Florida ♣**

SASHA & DENNIS

There's just something about getting into the great outdoors that unleashes some true filth! When Dennis asked Sasha to go for a hike how was he to know that he would soon have his cock deep inside her asshole? Well, maybe it was less of a gamble than we thought. We'll let Sasha explain!

"I told Dennis a few weeks ago that the outdoors make me very horny. I guess it's the fresh air and the feeling of freedom. So when he asked me to go for a hike last weekend, I knew we were going to have fun! We found this little meadow off the path we were walking and started making out. Before I knew it, we were fucking like crazy! I must have cum three times, but I just wasn't satisfied. That's when I told him to fuck my ass! Anytime I go in the mountains, I want to get my ass fucked nice and hard! Dennis was more than happy to oblige! He rolled me over, stuffed his fat cock into my tight little butthole and plugged away until he came in my mouth! Of course, next weekend, we're going hiking again and I'm already getting my ass ready!♣
